### DESCRIPTION

Audubon Savings razed two existing structures to make way for their new 3 story, 45,000 square foot Administrative Headquarters. Preliminary planning began in 2007 and the project is currently in construction. Stout & Caldwell Engineers provided full services Civil Engineering from conceptual site plans all the way through site plan approvals. SC worked closely with Audubon Savings and the other team consultants and the township and the NJDOT to bring this project to an anticipated completion date of the summer of 2009.
