### DESCRIPTION

Local Jewish leaders have unveiled architectural plans for the proposed new \$28.5 million Jewish Community Campus of Princeton Mercer Bucks — marking one more milestone on the journey toward realizing the dream of a central Jewish address for the region.

The plans call for the construction of a 78,000-square-foot LEED Certified structure at the heart of the campus site, an 80-acre, tree-lined property bordering Clarksville-Grover’s Mills Road in the Princeton Junction section of West Windsor Township.

JCC - 85 Acre Tree Inventory
