RE: Hainsport Sonic Restaurant

Hello Bob,

My name is Luca & I am a little part of the Qual-Fresh group. I have worked for Mcd for about 17 yrs, have opened about 30 or so units in different parts of the world, & have now decided to make Sonic, the last place of employment.

I have had the chance to meet a lot of people, from different backgrounds & different places. Each more or less more interesting. I just wanted to take a second & recognize your professionalism, high level of communication, as well as your thoroughness.

You have demonstrated to us what doing the right thing is really all about. For that I truly thank you, & hope that together we can create a few places we can all be proud of.

Thank you, its refreshing to see that there still are people who give a shit, as Ron would say, about their crafts.
