Robert R. Stout, PE, CME, LS

DESCRIPTION

Stout & Caldwell Engineers completed full site plan approval for the new Bergey's Trucking corporate headquarters. Located on more than 8.0 acres of land in Pennsauken, NJ, the company's new facility expansion created new jobs and economic growth to the region. Stout & Caldwell worked hand in hand with traffic engineer, Nathan Mosley of Shropshire Engineers, and others to provide comprehensive services that included boundary and topographic surveys, site plan engineering design and various site analyses required to secure project approvals.

Services provided:

- Full Boundary & Topographic Survey
- Site Plan Engineering Design
- Lot Consolidation
- Retaining Wall Design
- Demolition Plan
- Truck Turning Radii Analysis
- NJDOT Approvals

Partners:

- Colliers International
- Shropshire Traffic Engineers
- The Bloom Organization

Community impact:

- Created new jobs for the region
- Increased taxable business to the community
